CATALOGUE ORDER ENTRY

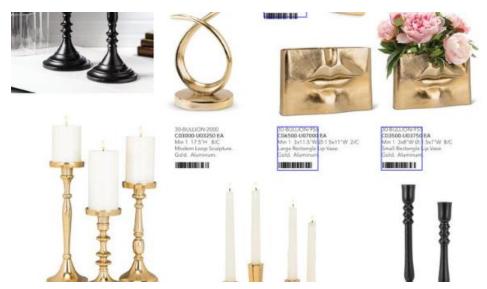

1. Once your order is started, you will be taken to the quick order entry screen. From there you can browse to the Shop View entry screen by clicking on the **CATALOGUE** icon at the top of the screen

2. Pick the catalogue you would like to order from. Note that the catalogue pages are in the same order as the printed catalogue and the catalogue on abbottcollection.com

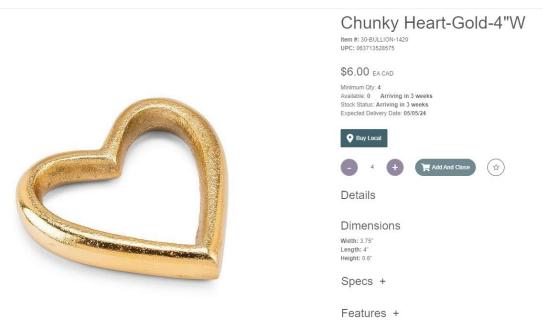

- 3. Once you click on your catalogue, hit the left and right arrow keys to flip pages
- 4. If the product has a BLUE square around the product details, it is available to be added to the order. If there is no BLUE square, then the product is not available

5. When you click into a product, you get the detailed product page. You can see more details about the product, change order quantities, and add the product to the cart

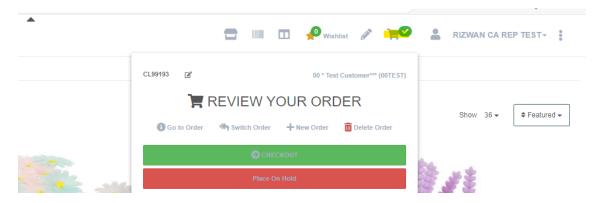

Add 30-BULLION-1420

6. The squares around the item will turn GREEN once the product has been added to the cart

7. Continue to add items to the order until you are read to check out, by click the shopping cart icon on the top right and selecting CHECK OUT

Note			

- Email confirmation you can pick from the customer contacts, or enter in a new email address to the order confirmation email. You can have multiple addresses listed
- Ship Date this is the date that the customer would like their order delivered. Abbott will determine how far in advanced the order needs to be shipped to meeting the delivery requirements
- Cancel Date this is the last possible date we can ship out the order to the customer. Default is roughly 1
 year from the day the order was started
- PO enter the customers purchase order number if they have one
- Note these are order specific notes, no foam chips, call for cc, merge with back order, etc
- Promotions

1

- o Promotions are based on order date, product, order value, and shipping dates
- o Please refer to the promotion detail sheet for information regarding active promotions

Bases on your order and shipping criteria, if your order qualifies for a promotion, it will be listed on the right-hand side. You will only see the promotions, the customer qualifies for. Click on APPLY beside the promotion to add it to the order
